

Middle School Improvement Plan for Student Success

Under the Framework for Enhancing Student Learning, all Abbotsford School District schools are required to develop a long-term plan to improve student achievement, one that maintains a balance on the intellectual, social and career development of students. Each year, each school develops an annual plan and sets individual goals to improve student achievement.

| Student Success Students are our top priority. Our students will be engaged, challenged, and prepared for a lifetime of success. | Optimized Resources Financial stewardship will guide our decision making. We will be creative and responsible in the management of our educational resources. | |

| Engaging Opportunities Key Pillars Progressive Workforce | | |
| We'll be listening and watching. We will provide engaging opportunities for every member of our organization to contribute to student success. | The more we learn, the more we grow. We will provide a workplace that fosters creativity, inspires excellence, and challenges everyone to embrace growth. | |

School Planning Considerations

- Identify specific activities to address the needs of Indigenous students, students with diverse learning challenges and children in care.
- Include strategies that engage the entire school staff
- Less is more: focus on a few high-leverage activities
- Ensure the impact of your activities is measurable
